

# “Write like an Author” with Chris! Friday, July 28th at 12pm

Chris moved to Cascade last winter to be the Cascade District Ranger on the Boise National Forest. He has worked for the U.S. Forest Service in a variety of roles ranging from digital storyteller, graphic designer, program manager, and public affairs officer.

He received his Bachelor's degree in Organizational Behavior from Weber State University in Ogden, Utah where he grew up and later received his Master's in Public Affairs from Indiana University in Bloomington.

In his spare time he loves running, cycling and hiking as well as reading and writing. He also volunteers at the Cascade Library every second and fourth Saturday of the month facilitating the Adult Book Club and teaching Computer 101.

Chris will read from his books, answer questions and sign copies. Books are available for sale during the event and snacks will be provided.
