

# “Write like an Author” with David Friday, August 18th @12:00pm

David MacGregor grew up on ranches in the mountains of central Idaho. His working life has taken him to many remote places throughout the northern hemisphere. His happiest days were looking after his cows in the high mountains with his quarter horses and Australian Shepherds. He now spends his time with his wife June between Valley County, Idaho and the Bighorn Mountains in Wyoming.

During the event, David will read, answer questions and give writing tips. His books will be available for selling and signing. Reserve your seat today!
