

Notes for Contractors

Information

1. You need to have a public works license to work on government jobs over \$50,000.
2. We need to pour concrete and have the walls and roof up before the bad weather starts.
3. Checks will be cut every second and fourth Friday of the month.
4. Expect change orders due to budget and supply because of our current climate.
5. Contractors will work within Cascade City's noise ordinance.
6. The library will be purchasing some items to match the existing design. See material specs(i.e. kitchen cabinets, carpet, vinyl, bookshelves).

Questions:

1. Do you have all of the crew to do the job or are you using any subcontractors?
